

# WI-FI CONTROL

Wi-Fi kit  
AM-MHI-01

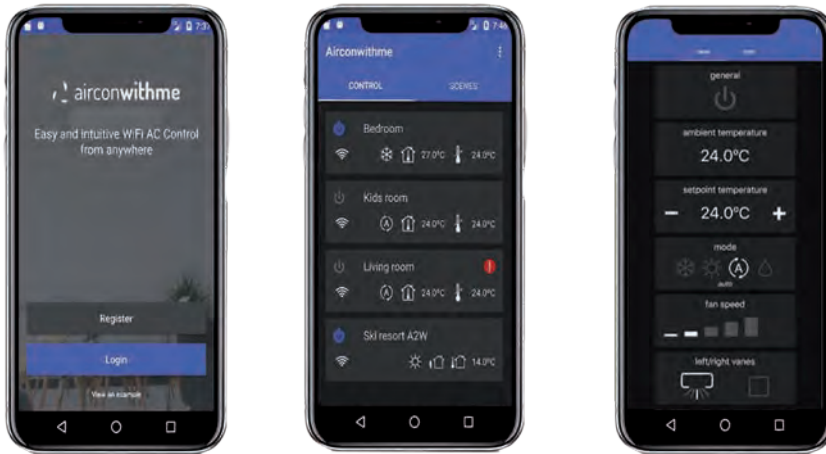

## WI-FI CONTROL SYSTEM FOR UNITS SRK-ZSX, ZS, ZR; SRR; SRF

With the Airconwithme app, you can bring your air conditioner remote control with you wherever you go, conveniently on your smartphone and/or tablet.

The Wi-Fi control lets you set the ideal climate even when you're away from home, thus creating the right comfort when you return home.
